

Tax Seminars for Foreign Scientists

Learn about tax withholding and what it means to your paycheck!
Learn about tax treaties and limitations

Foreign scientists are required to attend at least one of these seminars in order to understand their state and federal tax obligations. **Failure to file tax returns as required by law may result in severe financial penalties.**

Foreign researchers, especially those on the NIH Visiting Program, who just arrived at the NIH should have already been given a reservation to attend one of these tax seminars by their DIS Immigration Specialist. However, if you were unable to attend the seminar on your assigned date, then please contact DIS to register for the available one.

Seating is limited. To reserve your space, call the Division of International Services (DIS) at (301) 496-6166, or email the DIS.
